NEWS FROM OUR DIOCESE

Share the Joy of Priesthood: New Mini-Documentary Now Available

A new mini-documentary has been released by the Secretariat for Communications and Office of Vocations. This 12-minute film features the newly ordained Fathers Patrick Ernst, Noah Isch, and Samuel Martinez, in the days leading up to the ordination. This video is intended for two purposes: (1) to tell the story of ordinations this year, and (2) to serve as a resource to help promote priestly vocations across the diocese over the next few years. You might consider using it at a vocation discernment event at your parish or school, or host a screening during National Vocations Week in November. However you use it, you are invited to share your feedback with the Secretary for Communications so we can learn and understand what resources are helpful to you.
