EARTH DAY NATURE WALK

To celebrate Earth Day, take a walk outside with your child and help them learn to appreciate nature and help protect our planet. Put a check mark next to each item you accomplish below.

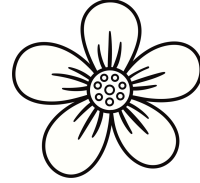

Hug a tree

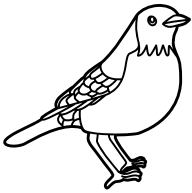

Find two leaves

Find a fun shape in the clouds

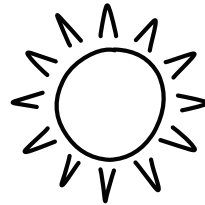

Smell a flower

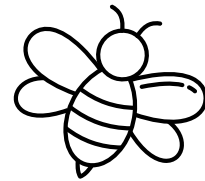

Listen to a bird

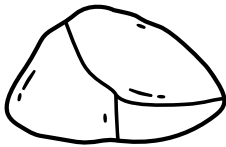

Find a dandelion

Feel the sun on your skin

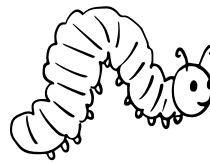

Find an bug that flies

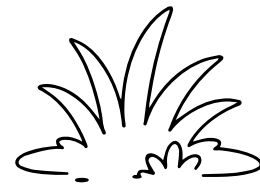

Collect a rock

Pick up trash and throw it away

Find something green

Touch the grass
