Tree & Décor Guidelines

- All items must be **Artificial** (NO LIVE TREES).
- Maximum height: **7.5 feet** (including stand). A limited number of taller trees may be accepted by arrangement.
- Trees must be fully decorated on all sides with a finished base (tree skirt, etc.). Additional display items are welcome.
- The following is required to ensure safe delivery:
 - Reinforce the top section with a green or white-painted rod/dowel.
 - Secure sectional trees with wire or glue.
 - Wire all ornaments and lights to branches.
- LED lights are strongly encouraged for energy efficiency and longevity.
