

Marilyn J. Siracuse

Long time Society member, Marilyn Joyce Siracuse of Dingmans Ferry, passed away in July. She was active in her parish, St. Vincent de Paul R.C. Church. She was an avid gardener and was always working on new projects around the house. She enjoyed traveling with her church's senior group, meeting with her book club and playing mahjong, cards, bingo and dominoes with friends. Despite all she did, Marilyn's greatest joy was her family, and she was always most proud to talk about the accomplishments of her children, grandchildren, and great-grandchildren.
