The Legend of Sleepy Hollow

Jonathan Kruk gives a thrilling theatrical performance of Washington Irving's haunting classic, *The Legend of Sleepy Hollow*! Staying true to the original tale, Kruk brings Washington Irving's mystery and wit to life while giving voice to every character. With leaping ghostly jump scares and a rollicking, music-driven headless horseman chase, his storytelling captivates audiences from start to finish.

Jonathan Kruk is a master storyteller from the Hudson Valley who educates, entertains and enchants with his performances. He has been a popular presenter for the Dingmans Ferry Historical Society.
