

Sadly, we must report the passing of another of one of our longest-term members. Robert Brumbaugh, a founding member and an active participant in the Society, passed on September 30, 2023. Born on September 31, 1933, Bob grew up in Delaware Township. He attended school at the Delaware Township Elementary School graduating from the class of 1947 with Leroy Cron and Margaret Crawford.

Bob will be very much missed
