President’s Message

Well, it’s spring again and your Board is busy planning the new season of presentations, events, and Museum activities. This year is the National 250th anniversary of the founding of the United States of America. It is also the 291st anniversary of the founding of Dingmans Ferry and Dingmans Village.

That being the case, we have planned our programs to include National history and our community’s past local history. I believe that you will find the programs and events will be both entertaining and informative. *(A bit of a teaser -- for instance, did you know that the Revolutionary War Battle of Conashaugh, was fought right here in Delaware Township in April 1780!!)*. All programs will continue to be open to the public free of charge, as will be access to the Museum. As in prior years, the museum will be open twice a month, from April through November from 11am to 3pm. The Delaware Township Board of Supervisors have again voted to help us with our continued endeavors to serve this community. We are very grateful for their assistance as without their support, we would not be able to achieve our goals.

This past year was an exciting one. Our museum was extremely busy with over 400 visitors. The two-day Civil War Living History Event also had record attendance with guests enjoying live cannon and musket fire, increased numbers of reenactors with tents and hospital tents, and live fiddle music. President Abraham Lincoln was with us in person, greeting attendees. Mr. Lincoln also spoke to the attendees concluding with his Gettysburg Address.

Our annual “members only“ meeting was held in November. Those in attendance received a review of the 2025 activities and were provided with a fabulous luncheon catered by chef Doug Cosh. The Society Board elections were held during the meeting. The 2025 Board was unanimously re-elected for another two-year term for 2026-2027.

Photos Wanted: Dingmans Ferry Residents & Homes – Part 2: G-K

We are looking for photos of the following people and homes that were in Dingmans Ferry. As we endeavor to preserve the history of Dingmans Ferry, we are reaching out to everyone for their help. Our ultimate goal would be to have a photo or sketch of every business and home that existed in the town of Dingmans Ferry as well as the

people of the town. It would be fantastic if together we could expand our photo collection to cover all of the old town of Dingmans Ferry.

If you have a photo or know of someone who does, you can email a digital copy to dfhistorical1735@gmail.com, mail the photo copy or stop by when the museum is open and drop one off. In future newsletters, we will continue to list the photos needed. **Thanks,**

We say goodbye to three active members of the Dingmans Ferry- Delaware Township Historical Society: Steve Bumball, Harold Arnold, and Tom Witter. Our thoughts and prayers are with the families who have lost loved ones recently.

Stephen Rickard Bumball
January 1, 1960 - October 19, 2025

Steve was a former Society member and supported the Historical Society while proudly serving as Delaware Township Supervisor from 1996 through 2001. Stephen was known as well for his love of antiques and collectibles. We appreciated his service and support for our historical society.

Harold Sayre Arnold, Jr.
March 14, 1945 - January 7, 2026

Harold was the owner of the Dingman Agency Real Estate for 47 years, Good Time Pizza for 22 years, and recently retired. Harold was a long-time member of the Historical Society and had a great knowledge of local history as a proud descendent of the Dingman family and shared many stories which his family enjoyed.

Thomas C. Witter
April 3, 1938 - March 6, 2026

We are deeply saddened to report the passing of Tom Witter on Friday, March 6, 2026. Tom started visiting Dingmans Ferry in his youth with his parents at one of our local campgrounds. After retiring from the service, he moved here permanently.

Tom was one of the Society's founding members; he was also a life member and one of the many Societies' local presenters. He worked diligently to recover misplaced films of the early times in Dingmans Ferry and was instrumental in producing a DVD comprised of reproduction of those films. Tom was an important asset to this community and to the Society. He will be very sadly missed and never forgotten. Tom was 87 years of age. Until tomorrow dear friend!
