

Thomas C. Witter
April 3, 1938 March 6, 2026

We are deeply saddened to report the passing of Tom Witter on Friday, March 6, 2026. Tom started visiting Dingmans Ferry in his youth with his parents at one of our local campgrounds. After retiring from the service, he moved here permanently.

Tom was one of the Society's founding members; he was also a life member and one of the many Societies' local presenters. He worked diligently to recover misplaced films of the early times in Dingmans Ferry and was instrumental in producing a DVD comprised of reproduction of those films.

Tom was an important asset to this community and to the Society. He will be very sadly missed and never forgotten. Tom was 87 years of age.

Until tomorrow dear friend!
