

COMPETITION INFORMATION

It's time once again to start our competition/team classes. Competition team is for ages **4 and up**, and open to anyone who wants to compete. All team classes will be held on Fridays. I will confirm the class times as soon as I know how many students are competing.

Here is a break down of all competition fees, and dates.

Preliminary meets - \$50.00 registration fee. (Due 2 weeks prior to competition date).

State - \$60.00 registration fee. (Due 3 weeks prior to competition date).

Door Fees:

\$5.00 per adult

\$3.00 12 and under

3 and under, and competitor - Free

All competitors are required to take an additional team class every Friday. The fee for this class is \$40.00 and will go from October 7th 10th through April 15th. We don't offer a second class discount for this class, because we have all of our team coaches teaching this class.

All team athletes are required to wear team Leo's (Girls)

Team shirt and black shorts (Boys)

Leo Fee - \$100.00 (ish) I have spent hours trying to find one for a decent price. Long sleeve competition Leo's run anywhere from \$200.00 - \$350.00. There is no way we are paying that much. I was able to find a new company that allowed me to make some changes to the Leo and bring the cost down to \$100.00. This is wholesale pricing. I haven't got a cost on shipping yet. I will have sample Leo's for sizing at our first practice, and we will have everyone try them on and get the order placed ASAP. Hopefully we will have them by our first meet.

*****We will be using the same Leo as last year. If you need a new one, please let me know.**

Competition Dates are set for the year and all dates confirmed.
