

Cirque-ability Sample 12 Week Term Pricing Chart – January to March 2019

This pricing chart is based on full registration for our session. Full registration for most classes is 12 weeks. Some classes may have 13 weeks or 11 weeks, depending on the day of the week they are scheduled to begin and if a statutory holiday closure occurs during a regularly scheduled class time. Final pricing is available on the checkout screen once enrollment has been completed.

All session registrations require a 2019 Registration Fee (\$30.00 + HST active from January 1st to December 31st 2019) which must be purchased separately and is not included in the rate listed below.

Students who are booking multiple sessions per week are eligible for our multi-class discounts, which can be viewed here: <https://cirque-ability.com/register>

Please note: If pricing is in dispute, the online registration quotes and calculations will be considered correct. Cirque-ability is not responsible for any errors or omissions in this chart. It has been provided for estimation purposes only.
