Shade for the Future

If you drive through the cemetery you will notice that eight more trees have been planted to enhance the beauty of our final resting place. In order to ensure that they get the start they need you may notice water pooling around the trunks. We have bubblers that water slowly and these are monitored. Most all of the trees have a water source except for the older section of the cemetery. The closeness of the gravesites does not allow waterline access. So we depend on the rains from Heaven for those. A tree with its shade adds so much peace and beauty when we spend time with our dearly departed .

BINGO

Join us for an afternoon of fun playing bingo on Sunday, February 18th in the Parish Hall from 3:00pm – 5:00pm.

Time To Begin

It's hard to believe we just finished telling Santa what we wanted for Christmas and now it's time to start thinking about what we can give up or do extra for Lent. Lent officially begins with Ash Wednesday which is February 14th. Yes Valentine's Day!! And Easter is on April 1st. Yes April Fools' Day!! It's going to be a little challenging for Catholic's this year to focus on the true meaning of these two days. While Valentine's Day is typically a day of romance, love, flowers, candy, dinner, etc. (**not at my house**) don't forget this year it also starts your 40 day journey of prayer, fasting and almsgiving. And what a beautiful way to start your journey but with celebrating Mass on Ash Wednesday! Lent gives us an opportunity to reflect on the relationship we have with Jesus. Do we offer Him some of our time? Our talent? Do we include Him in our decisions or in our everyday lives? Traditionally we give up things near and dear to us during Lent. Why not take a different approach and give our love in time as well as in treasure. Both would mean so much to someone in need of a good dose of hope and faith.

PARISH HALL MAINTENANCE

The new drain lines for the sinks have been installed and are ready for use. However the repairs on the sidewalk are not complete. Again, while this work is in progress please use caution. **We are once again asking everyone to please use care when using this facility. Pouring grease, bean juice, coleslaw, and other types of food down the drains is what caused the damage. We have a dumpster as well as the good old fashion country way of dumping it outside on the grass. Actually if you dump it on the weeds that solves the weed problem! We don't mind renting out the hall or making it available for our ministries, but please: Take some pride in it and care for it as if it were your own home. Thank you for your cooperation.**
