TREASURES FROM OUR TRADITION

The Paschal Mystery is the key to our Christian faith: the dying and rising of Jesus that is the pattern of our life. In their first steps on the road of faith, the catechumens feel the cross of glory traced over their eyes, on their lips, across their shoulders, on their ears, over their heart, and on their feet. The mystery is that even death gives way to life for those who are held in the embrace of Jesus. Today, many new Christians arise from the waters of the font. Yet the font is not the destination of their journey. The goal is Pentecost, fifty days from now, and a lifetime of praise to the Father, in Christ, in the embrace of the Holy Spirit, for the sake of the world. "Neophyte," our ancient word for newly-baptized people, means "newly-planted" in Greek. If someone in your parish has just been baptized, welcome them today. The smiles on their faces and the light in the eyes is a foretaste of heaven.
