Our Parish Sick List

In a couple of weeks we will be removing all names on the sick list. We are going to start a fresh updated list with the names of those who desperately need prayer for healing. We ask that if you have someone that needs to remain on the list please call the church office and request their name be added back to the list. Please remember that the request needs to come from a family member. This safeguards the individual's privacy. For where **two or three are gathered in my name**, there am I among them." Matthew 18:20. Prayer definitely brings us peace. And how wonderful it is that as a community and parish family we can pray for each other when the need arises! May God Bless!! **Those in the Military!** We will also be revising this list. Please let us know who we need to keep on the list and in our prayers. Call the Church Office at 830-484-3302.

Sunday Funnies

A little girl, dressed in her Sunday best, was running as fast as she could, trying not to be late for Bible class. As she ran she prayed, "Dear Lord, please don't let me be late! Dear Lord, please don't let me be late!" As she was running and praying, she tripped on a curb and fell, getting her clothes dirty and tearing her dress. She got up, brushed herself off, and started running again. As she ran she once again began to pray, "Dear Lord, please don't let me be late... But please don't shove me either!"

THE HIGHEST LAW

From time to time, newspapers and magazines will offer, as an item of "filler," various laws that are still on the books but seem silly to us in our day and age. In one California city, it is illegal to have two indoor bathtubs in one house. Clean water, a precious commodity when the law was written, is now readily available, so the law seems silly. But the human value of protecting and preserving precious resources is still around, evident in many conservation laws that seem sensible to us. So it is with the laws of religious tradition. What Jesus scorns today is others' attitude toward ritual laws, an attitude that becomes nearly idolatrous when laws are observed for their own sake. Jesus teaches that observation of external ritual laws is of value only when they are emblems of our internal disposition toward the will of God. Our whole lives must follow the one ultimate law of God: to love God completely and to love neighbor entirely. Roman Catholicism is a tradition rich with customs, traditions, and even laws. As we continue to listen to the voice of Christ, we must always look into our own hearts and underneath our ritual practices to make sure that love of God and love of neighbor are what we prize above all.

The Sweltering Heat **Prayer for those who deal with it day after day!**

Father in Heaven, bless those who are forced to work in the heat to provide for their families. In the intense heat of the day, give them relief in the form of your love and grace to help sustain them in their daily difficulties to earn their wages. We ask you to be with them and to bless their efforts. Lord, watch over them and keep them safe. We ask all of these things in your precious Son's name, our Lord and Savior, Jesus Christ!!!
