Essay

Dysphoria—Merriam-Webster: a state of feeling very unhappy, uneasy, or dissatisfied.

Haven't we all, at some point, felt unhappy, uneasy or dissatisfied?
Gender Dysphoria means unhappiness or dissatisfaction with our gender or something about our gender.
Again, isn't this, in some detail of dissatisfaction about being the person we are, a world-wide club?

How is it that we have come to believe that a dissatisfaction can be resolved by surgery?
If we are dissatisfied with our height, are we to have leg implants?
If we are dissatisfied with race, shall we have extensive cosmetic surgery?
If we are dissatisfied with our abilities, shall we have a brain implant?
If we are dissatisfied with our relationships, shall we have a heart transplant?

How have we come to believe that gender can be medically and surgically altered?
How have we come to believe that a man, through surgery, can become a woman?
How have we come to believe that a woman, through surgery, can become a man?

What if the pervasiveness of transgenderism in our country is because of a nefarious plan?
What if that plan is to destroy the underpinnings of our country?

Communist goals were entered into the Congressional Record in 1963.

Here is a link to the full list: www.hankeringforhistory.com/communist-goals-congressional-record-1963/

These goals include, as numbered on the list:

- 17/Get control of schools. Use them as transmission belts for...propaganda...
- 24/Eliminate all laws governing obscenity...
- 25/Break down cultural standards of morality...
- 26/Present...degeneracy...as "normal..."
- 40/Discredit the family as an institution...
- 41/Emphasize the need to raise children away from the negative influence of parents...

According Dr. Clifford Penner and Joyce Penner, RN, gender identity is formed.

Their book, quoted below, is available by calling them at 1-626-449-2525.

In Sex Facts for the Family, by the Penners, page 100, paragraph 1, we read:

"The difference in treatment is important to help our children establish accurate gender identity."

What if those who want to destroy our country understand this truth about identity development?
What if they infiltrated our schools to propagandize the lie of transgenderism?
What if the lie was intended to destroy individuals, families, and the strength of our nation?
What if this is one of many topics being used to divide our people?

Below we shall see that transgenderism is outside of God's Biblical Boundaries.

Being certain that all Followers of Jesus know these truths could save many from a tortured life.

Carrying these truths could also save eternal souls.

Scripture

This is a compilation of some of the Scriptures about the topic, some are a brief summary.

Please check the Scriptures to be sure of accuracy.

The # column is for easier reference. B is the number of the Book as it is listed in the Bible.

Book, C, V, and V is for the Bible Book, the Chapter, the first Verse and, if needed, an end Verse.

#	B	Book	C	V	V	Statement	?
1	1	Genesis	1	27		God created man in His own image—male and female He created them.	
2	3	Leviticus	18	22		It is an abomination for a man to lie with another man as he would lie with a woman.	
3	3	Leviticus	20	13		If a man sleeps with a male as those who sleep with a woman, both of them have committed a detestable act; they must be put to death.	
4	5	Deuteronomy	22	5		A woman wearing man's clothing or a man wearing woman's clothing is an abomination to the Lord.	
5	5	Deuteronomy	23	1		No one who is emasculated or has his male organ cut off may enter the assembly of the Lord.	
6	11	1 Kings	14	24		There were also male cult prostitutes... committing all the same abominations of the nations which the Lord dispossessed before the sons of Israel.	
7	40	Matthew	19	12		There are those who have been born eunuchs, those made eunuchs by people, and those who have made themselves eunuchs for the sake of the kingdom of heaven.	
8	44	Romans	1	18	32	There are those who knew God and yet did not honor Him, and so they became futile in their reasonings, and their senseless hearts were darkened...they exchanged the glory of the incorruptible God... Therefore God gave them up to vile impurity...God gave them up to a depraved mind, to do the things that are not proper....they know...that those who practice such things are worthy of death, (but) they do the same, (and) also approve of those who practice them.	
9	46	1 Corinthians	11	14	15	Nature itself teaches us that if a man has long hair, it is a dishonor to him, but if a woman has long hair, it is a glory to her. Her hair has been given as a covering.	
10	50	Philippians	4	11		Paul writes that he has learned to be content in whatever circumstance.	

Perspectives

The Bible often tells us what to do, but not necessarily how to do it.

For example, Romans 13:8 Paul writes that we are to owe nothing but love.

However, he does not tell us how to not have, or how to get out of, debt.

Today there are ministries to help reduce or eliminate debt.

They also guide us in how to not get into debt.

These could be considered “Perspectives” to help us do what the Word tells us to do.

Here are some perspectives that may help us to understand and address gender dysphoria.

#	B	Book	C	V	V	L	Perspective
							<p>Authenticity</p> <p>If a man or woman who is uncomfortable with his or her gender, might the person find resolution if he or she had a safe environment in which to be authentic, in which to be thoroughly honest?</p> <p>True story: a man’s daughter came forward with gender dysphoria. This father determined to be attentive to this daughter. Within his care and attentiveness, she was able to realize that the dysphoria came of guilt she felt. This realization allowed her to become comfortable with being a girl and becoming a woman. She had an environment in which she could be authentic.</p>
							<p>Be Boundaried</p> <p>If we are not sure what to do or how to be, we have a great resource in the Bible. Jesus said that Love fulfills the Law. The Bible is the Law and gives us the boundaries of how to Love.</p> <p>Much can be gained if we choose to live within these Boundaries of Love, if we choose to “Be Boundaried.”</p>
							<p>Belief and Consequences</p> <p>What we believe has consequences. Where we might help someone understand errant beliefs, perhaps they would be protected from damaging consequences.</p>
							<p>BOND: Bring Observation Not Denigration</p> <p>In conversations, we might lovingly bring observation, and understanding, not denigration.</p>
		Luke	14	28	33		<p>Counting the Cost</p> <ol style="list-style-type: none"> 1. In this passage in the Gospel of Luke, Jesus spoke about “Counting the Cost.” 2. Jesus said, if someone is planning to build a tower, they calculate the cost to see if they have

							<p>enough to complete the building and avoid being ridiculed.</p> <p>3. Jesus spoke of a king considering whether he can win in a battle, and sending a delegation for peace if he realizes he cannot.</p> <p>Does the man or woman who is considering transgender treatment or surgery know the true cost?</p> <p>Are the providers, who will financially benefit from a patient's life of surgeries and medication, giving the man or woman with gender dysphoria the truth about the procedures, so that they can truly "Count the Cost," or are the providers not giving the full truth?</p>
							<p>Deficit</p> <p>Deficit is a direct approach to another, usually possible only when there is a strong rapport and trust in the relationship. The one who receives will invite the other to list the truths and shortfalls that he or she sees. Where one has the maturity to allow Deficit, there is often great Authenticity and seeds for Growth.</p>
							<p>Discovery</p> <p>As we listen closely to another as he or she tells his or her story, we may find elements which are applicable to our own lives.</p>
							<p>Divulge</p> <p>Divulge is a special time of often intense self-revelation where one person tells another or others of deep experiences while the other or others listen without comment or reaction.</p>
							<p>Enhance</p> <p>In Romans 8:28, Paul writes that God causes all things to work together for good to those who love God, to those who are called according to His purpose.</p> <p>No matter what has happened, as we include God, He can bring good out of it.</p>
							<p>Head of the River</p> <p>As we seek to address an issue, we can try to repair things at the end point of the river, or we can address things at the "Head of the River."</p> <p>In Transgenderism, we can and should try to help</p>

#	B	Book	C	V	V	L	Perspective
							someone who has already traveled along the river of treatment and surgery, but we can also go to the “head of the river” to protect children from ever being pulled into this lie.
							<p>Men in the Mold of Jesus See DDS—Men in the Mold of Jesus Regarding Transgenderism, might men, who are uncomfortable with being a man, find comfort as they look at the way Jesus lived out being a man. He did not fill the culture’s definition of being a man. Jesus was Loving, courageous, uncompromising, caring for those in need and more. Might a man find Jesus the kind of man he would like to be.</p>
							<p>My Story Using “My Story,” we tell our experiences related to this topic.</p> <p>Have we ever had a dysphoria, something about which we were unhappy, uneasy or dissatisfied? How did God resolve this for us? The way that God helped us to overcome our “dysphoria,” or dissatisfaction may help someone else to overcome his or her dissatisfaction with his or her gender.</p>

Ideal

The Ideal is that we, of the Body of Christ, are fully aware of:

1. The need to shape the gender identity of our children when they are children,
2. The strategies of evil that would corrupt, distort and damage our children, and
3. The best ways to train parents and all members of a family in how to protect the children.

In the Ideal, we, of the Body of Christ, would also know how to best intervene, support and facilitate transformation for someone who has been damaged in this way.
