		skew 5. Corrupted history	5. Parents informed and supported 6. Opt out of sex ed	
7	Freedom Hub Coordination and integration	1. Groups are fragmented and disconnected 2. Efforts are often unknown and unsupported	1. Overall strategy is reached by consensus not by central control—create and refine this process 2. Each area meets monthly to strategize, coordinate and focus efforts of the area 3. Each group sends at least one liaison to report to central group 4. All activities and action options to a central site (Basecamp?) 5. All information, activities and actions go out through the groups 6. Groups may be engaged in several areas—have a rep for each area within the group	1. Groups are independent but integrated and coordinated to make best use of energies and efforts 2. Decisions are made by consensus 3. A single database and communication system (Basecamp?)
50	Abortion	1. Mass abortions increased by 37% in 2023 2. Abortion as an easy option	1. Recognize that all abortion begins with the man 2. Effective sex education in all churches focusing on the men to understand the importance and power of sex so they do not impregnate a woman who will kill their children	3. No unwanted pregnancies so no need for abortion
