China is an ancient nation.

It is only recently that it has been taken over by the Chinese Communist Party (CCP).

The CCP is an oppressive dictatorship.

The CCP is ambitious and has a methodical plan to take over the world.

The CCP would like to bring its oppressive form of governance to every other nation in the world, including the USA.

From www.Persecution.org; “Confusion Persists about the True Number of Christians in China.” 2. “What is the actual number of Christians in China?” 3. “Again, this is notoriously hard to accurately determine. Different Christian research and church planting ministries estimate that between 6% to 9% of China are Christians (putting the number between 85 and 128 million Christians). These are clearly different numbers from the Communist figures in the CGSS (Chines General Social Survey) recently released. In ICC’s (International Christian Concern) view, the numbers that mission organizations are using are likely to be more accurate.
