The Pocket Pages will include action steps.

#	L	GENDERS: DID YOU KNOW...
1	1	Gender theory is based on lies
1	2	Gender theory is based on lies DID YOU KNOW... ...One man’s distortion of “science” and the hiding of facts promoted a widely accepted gender theory that is based on lies. <ol style="list-style-type: none"> John Money theorized that gender was “fluid,” conducted an abusive experiment on a set of twin boys, infiltrated the culture with his false findings, but hid the devastating results. <ol style="list-style-type: none"> Youtube.com, search for “The Monster Behind Gender Theory, and the Atrocious Lie He Based it On.” David Reimer was a boy raised as a girl to supposedly demonstrate gender theory; his life actually proves the theory is not true. His masculine nature asserted itself, he married a wife, adopted children, and ultimately committed suicide. <ol style="list-style-type: none"> Youtube.com, search for “Documental David Reimer.”
2	1	Adolescence often resolves gender dysphoria
2	2	Adolescence often resolves gender dysphoria DID YOU KNOW... ...Studies show that two-thirds of children who have gender dysphoria will realign with their birth sex by the end of adolescence...if they are not exposed to transition-based treatments. <p>...That Dr. Zucker, a prominent researcher and clinician for “gender dysphoria” (which can lead to a gender transition), was vindicated after being fired for his approach. From a National Review article linked below: “This approach is informed by decades of case-by-case clinical practice and a small but substantial body of research — in an uncertain and under-researched area — suggesting that over two-thirds of children with gender dysphoria will realign with their birth sex by the end of adolescence if they have not been exposed to transition-based treatments.”</p> <p>...our emphasis—<i>if they have not been exposed to transition-based treatments.</i></p> <p>Links/Resources: National Review: “Dr. Zucker Defied Trans Orthodoxy. 3	1	Treatment with blockers can worsen mental health
3	2	Treatment with blockers can worsen mental health DID YOU KNOW... ...That the mental health can get worse for the person with gender dysphoria once they are started on the blockers.

		<p>LINKS AND RESOURCES:</p> <p>At the very beginning of the following video: “Mental health was getting worse once they started the blocker...the narrative says these interventions are supposed to make people better...it was getting to the point that we were harming more patients than we were helping...”</p> <p>YouTube: “Trans Clinic Whistleblower Speaks Out” https://www.youtube.com/watch?v=gbuGMbqjsSw</p>
4	1	Orgasms may be disabled
4	2	<p>Orgasms may be disabled</p> <p>DID YOU KNOW... ...that every child or adolescent who is blocked at a certain time in their sexual development will never experience orgasm.</p> <p>LINKS AND RESOURCES: “Dr. Marci Bowers, a vaginoplasty surgeon who herself transitioned when she was 38, spoke recently at a virtual conference hosted by Duke University. “Every single child or adolescent who was truly blocked at Tanner Stage 2 [when hormones begin their work of advancing a child to adulthood] has never experienced orgasm. I mean, it’s really about zero.”” <u>Jerusalem Post</u> “Would you give up an orgasm?” https://www.jpost.com/opinion/article-708397 “Though blockers are often described as operating like a pause button, most children prescribed them go on to cross-sex hormones. This combination can have irreversible consequences, including sterility and the inability to orgasm.” <u>The Economist</u> “Opinion on the use of puberty blockers in America is turning” https://www.economist.com/united-states/2021/10/16/opinion-on-the-use-of-puberty-blockers-in-america-is-turning?utm_medium=affiliates.content.pd&utm_source=Skimbit%20Ltd.&utm_campaign=16002&utm_content=Online%20Tracking%20Link&irclickid=XII3WW0lbxyPWpXXItTokR8BUkF0D8VBRVLFx80&channel=Impact&irgwc=1</p>
5	1	Suicide is more likely with transitioning surgery
5	2	<p>Suicide is more likely with transitioning surgery</p> <p>DID YOU KNOW... ...that those who experience transitioning surgery are 20 times more likely to die by suicide?</p> <p>LINKS AND RESOURCES: “Suicide points to profound regret, does it not? After surgery, transgender people are 20 times more likely to die by suicide. The most thorough follow-up of sex-reassigned people—extending over 30 years and conducted in Sweden, where the culture is strongly supportive of the transgendered—documents their lifelong mental unrest. Ten to 15 years after surgical reassignment, the suicide rate of those who had undergone sex-reassignment surgery rose to 20 times that of comparable peers.” “Regret is not rare” SexChangeRegret.com https://sexchangeregret.com/regret-is-not-rare/</p>
6	1	Testosterone thins vaginal tissues
6	2	<p>Testosterone thins vaginal tissues</p> <p>DID YOU KNOW...</p>

		<p>...Testosterone thins the vaginal tissues making them vulnerable to tearing.</p> <p>LINKS AND RESOURCES: At the beginning: “A 17-year-old biological female patient on testosterone said she was bleeding from the vagina...the nurse...told her to go the emergency room...this girl had had intercourse and because testosterone thins our the vaginal tissues, her vaginal canal had ripped open...(the) she had to be sedated and given surgery to repair the damage.” “The Horrors of Transitioning! 7	1	Clinicians cannot make fully functioning vaginas or penises
7	2	Clinicians cannot make fully functioning vaginas or penises 1. Constructed genitals cannot produce seed or sperm, nor do much of what natural genitals can do. a. Need primary source.
8	1	Transgenderism is sexist
8	2	Transgenderism is sexist 1. If a boy is interested in a doll house, this does not mean he is a girl; he may be interested in architecture and design. 2. If a girl is interested in trucks, this does not mean she is a boy; she may be interested in engineering. 3. It seems, to ascribe any inclination or activity as exclusively male or female, and begin to reshape a child according to these stereotypes is sexist.
9	1	Promoting transgender ideology may be rooted in the intentional destruction of our children
9	2	Promoting transgender ideology may be rooted in the intentional destruction of our children DID YOU KNOW... ...The Communist goals of 1963 include destroying the family and discrediting parents. In 1963, 45 communist goals were included in the Congressional Report. It is notable that many of these goals, listed over 60 years ago, are being fulfilled. 1. The communist goals include (#40) discrediting the family, and (#41) separating children from the “negative influence of parents.” Click on the following link and scroll down to #40 and #41. 2. www.hankeringforhistory.com/communist-goals-congressional-record-1963/
10	1	Transgender materials are grooming our children for sexual abuse
10	2	Transgender materials are grooming our children for sexual abuse DID YOU KNOW... ...Explicit material can be used to groom a child for sexual abuse and sex trafficking. Grooming prepares children to be sexually abused and sex trafficked. 1. “Predatory grooming is how a child sexual predator uses lies and tricks to manipulate and victimize children and communities.” 2. “...predators distort reality and take power away from victims (by)... a. (Among other strategies) b. Isolating their victims c. Manipulating family members to trust the predator d. Blurring sexual intimacy boundaries e. Pornography...” 3. The three major steps of Grooming:

		<ol style="list-style-type: none"> a. Build trust; should we trust our teachers and librarians? b. Separate the child from the parent: “Your parents don’t understand your desire to change your pronoun, to have sex this way, to read this book...” c. Sexualize: “Here, have you seen this book (that includes anal intercourse)? You might find it interesting.” <ol style="list-style-type: none"> 4. The child is then ready for sexual abuse and sex trafficking. 5. Andersonadvocates.com—one of the nation’s premier law firms representing victims of child sexual abuse: “What is Grooming? Was I Groomed?” 6. www.andersonadvocates.com/what-is-grooming-was-i-groomed/

11	2	Gender confusion is big business
12	1	Gender transitioning creates permanent customers
12	2	Gender transitioning creates permanent customers
13	1	Science says every cell is male or female
13	2	Science says every cell is male or female Male and female c\Chromosomes are in every cell of the male or female.
14	1	God created us male and female
14	2	God created us male and female 1. <i>So God created man in His own image, in the image of God He created him; male and female He created them. [Genesis 1:27]</i>
15	1	God is not a God of confusion
15	2	God is not a God of confusion 1. <i>...for God is not a God of confusion, but of peace.” [I Corinthians 14:33]</i>
16	1	God makes all things new
16	2	God makes all things new 1. <i>Or do you not know that the unrighteous will not inherit the kingdom of God? Do not be deceived; neither the sexually immoral, nor idolaters, nor adulterers, nor effeminate (in Interlinear), nor homosexuals, nor thieves, nor the greedy, nor those habitually drunk, nor verbal abusers, nor swindlers, will inherit the kingdom of God. Such were some of you; but you were washed, but you were sanctified, but you were justified in the name of the Lord Jesus Christ and in the Spirit of our God. [I Corinthians 6:9-11]</i> 2. <i>And do not be conformed to this world, but be transformed by the renewing of your mind, so that you may prove what the will of God is, that which is good and acceptable and perfect. [Romans 12:2]</i>
17	1	Gender identity is developed
17	2	Gender identity is developed 1. “Both boys and girls need reinforcement and affirmation for sexually appropriate behavior and identification. We are not talking about forcing all boys to play baseball or all girls to always stay pretty and clean. Some very masculine boys will enjoy music, art, and other, more delicate dimensions of life. Many very heterosexual women enjoy and are accomplished at what are normally considered male interests and activities. What is most important is that the identification occur with the same sex gender. Sometimes the identification is evidenced in the choices of the child’s activities. This is why is it so important, during this critical period, to provide ongoing reinforcement to the boy or girl for being male or female. a. <u>Sex Facts</u> by Clifford and Joyce Penner, page 108, paragraph 2.
18	1	Gender dysphoria can be resolved

18	2	Gender dysphoria can be resolved <ol style="list-style-type: none"> 1. In I Corinthians 6:9-11 we see that there are many behaviors that will keep us out of the kingdom of God, but for the washing, sanctification and justification we have available to us in Jesus. 2. In Romans 12:2 we see that we are to be transformed by the renewing of our minds—there is a process of transformation. 3. To see one process of transformation, go to AllNeedsMet.us, click on the training pages and scroll down to section 8.17 where there are documents that can help with sexual transformations.
19	1	Actions
19	2	Actions <ol style="list-style-type: none"> 1. Encourage churches to train parents to train their children well so they are protected from distortions. 2. Address grooming in schools. 3. Withdraw children from the public school system. 4. Encourage those with gender dysphoria that there is a way of transformation (see “Gender dysphoria can be resolved” above.)
