3	2	Freedom	<p>DID YOU KNOW...</p> <p>... Migrants need to be trained in freedom to be able to vote for it.</p> <p>This is not a link; it is a personal story:</p> <p>I was with a migrant from another country. He had outstayed his legal provision.</p>

			<p>He was here illegally. He said to me, “Shouldn’t the USA accommodate people who come in?” I asked him about the governance of his country of origin. He said that, in his country, there had been a military dictatorship for three decades. I said that he was attracted to the USA because of our culture, our principles, our freedoms. I asked, wouldn’t it be better if he was accommodating us (i.e. coming in legally)? Otherwise, wouldn’t he be bringing in the very perspectives that had caused him to leave his country in the first place? To me, it does seem that those who come into our country for the benefits of freedom need to be trained in freedom in order to be able to vote for it.</p>
