

RESIGNATION LETTER 5/10/18

To: Members of the Sunset Lake Board of Directors

I moved to Sunset Lake from Lake of Egypt 10 years ago because of the serenity and beautification of the lake. It appeared to be a perfect fit for my family in my retirement days. I was elected to the board of directors two years later. For 8 years it was a joy to serve on the board and respond to the needs from members of the lake.

Most all lake members approved of the board's actions and the direction the lake was going. The lake assessments were reasonable and kept to a minimum.

Now, within the past year the same members of the lake have not been satisfied with our performance.

I must say I am extremely disappointed in the attitude of some lake members. The mistrust they have of the board is a shame.

The members of the lake are requesting change and a change they will get.

It is for that action, I will be leaving the board of directors immediately. I would hope the lake members find the correct direction of which to move.

Once again, the assessments of this lake have been reasonable and workable. I certainly hope on behalf of the members of the lake they continue on a reasonable basis.

I will be happy to help with the transition if needed.

Good luck people of Sunset Lake.
