

Windrow Pro

PEQUEA

A SKIBO COMPANY [®]

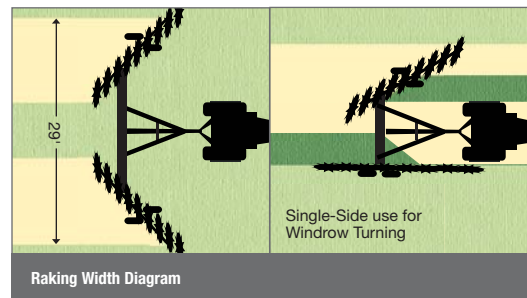

Windrow Pro™

Pequea's overhead frame, crop driven wheel rake provides higher capacity for quick raking without compromising hay quality. Pequea's Windrow Pro™ oversized wheels with rubber mounted tines allow users to rake up to 29' of hay into a single windrow. Our wheel rake's extensive standard features combined with our impeccable quality at a competitive price, makes the Windrow Pro™ the best value in the wheel rake market.

1820HD

- 2" Removable spindles on all axles
- 6 Step paint finish using the highest quality industrial urethane
- Warning and operation lighting standard
- UV resistant polyethylene wheel covers
- Full electric over hydraulic control from your tractor
