

Employee of the Month

February

Gladys Judd

Gladys has been a great part of HR Choices. She is wonderful with communication and keeping everyone updated with her people. She is always willing to move things around and pick up shifts, never complains if we must move her around, and keeps our individuals engaged with the daily living tasks. Gladys has been faced with behaviors and does a great job deescalating and redirecting to avoid large outbursts. She is motivated to help her coworkers and be a team player. She does great with chores and leaving the house prepared and ready for the next staff to come in.

We value and appreciate your commitment to this company.

Thank you for all your hard work, Gladys, you deserve this honor.
