Joyce Thompson

Joyce has been a great asset to HR Choices over the years and does her best to fill in and help whenever she can. Joyce has a great relationship with the individuals that she provides care to and has a way to get them to work with her and assist them with things that they are hesitant to let others do. Joyce is patient and calm with the individuals and gives them her undivided attention. Playing games and keeping them engaged are important to her and they appreciate the 1 on 1 attention that she provides to them. Joyce does great with cleaning and paperwork and is always willing to jump in and learn something new.

We value and appreciate your commitment to this company.

Thank you for all your hard work, Joyce, you deserve this honor.
