

# Employee of the Year

2024

## Tammy Bond

Tammy has been a long time employee of HR Choices and was a huge part in opening up one of the homes we serve from the very beginning. Tammy has been a great team player, always willing and able to move around her schedule to help her co-workers. Tammy is a great communicator and has stepped her game up with end of shifts and reporting things to the office. She is always thinking of the ladies and has their best interests at heart. Tammy has minimal corrections and is always diligent in her duties. We never get complaints of chores not done or the house left a mess.

We value and appreciate your commitment to this company.

Thank you for all your hard work, Tammy B, you deserve this honor.
