

Employee of the Month

February

Michele Tenoschock

Michele has worked for HR Choices as a DSP for a little over 4 months. Michele has jumped into her job position and thrived. She goes above and beyond in getting the ladies ready in the mornings, doing their hair, ensuring they match, and walking out of the house feeling good about themselves. Michele has been a great team player and made herself available to cover shifts and lets staff know if she is available to help on days she is off. Michele does a great job keeping the house clean and making sure everything is taken care of. Michele also does great with communication on the GroupMe app and that is greatly appreciated.

We value and appreciate your commitment to this company.

Thank you for all your hard work, Michele, you deserve this honor.
