

Employee of the Month

July

Amber Cooley

Amber wears several hats within the H.R. Choices company, being a dayhab tech, driving the bus, and now picking up double staff shifts within our homes. Amber goes above and beyond in all lanes of the job duties that she has. She always keeps our individuals involved and engaged at the dayhab, keeps everyone comfortable and home safe during transportation, and has stepped up and done a great job with double staffing. Amber always takes extra steps to make sure she is a team player and helping in the homes; doing additional cleaning, engaging with the individuals and making sure staff have the extra support and help needed during double staff hours.

We value and appreciate your commitment to this company.

Thank you for all your hard work, Amber, you deserve this honor.
