Infiniti Rose

Infiniti joined our team in February of this year and has made a huge impact on the quality of life with the individuals she provides care for. She goes above and beyond to keep them engaged in fun activities and has meaningful conversations with them. Infiniti is always looking for ways to help her co-workers whether it's doing additional cleaning or putting in a crockpot meal to help the next shift run smoothly. She is very thorough with information she shares and is a huge help when it comes to picking up shifts. Infiniti recently became a trainer and was happy and willing to jump in and learn the position.

We value and appreciate your commitment to this company.

Thank you for all your hard work, Infiniti, you deserve this honor.
