- **Quality of Organization:** EFQM Recognized for Excellence 5*, ISO 9001:2015 , ISO 17024, etc.
- **Strategy – 2016 - 2025**
- **Development – 19 Years Experience, Established in 2001, Founded by E.H.**

Key expertise

- Arts and Digital Media
- Integrated Design
- Media and Communication
- Architecture and Spatial Planning
- Computer Science and Engineering / Design and Multimedia
- Information System / Data Processing, Modelling and Simulation
- Mechatronics and Robotics

Key expertise

- Creative and Design Centre
- Media Group / TV, Radio
- Modelling and Simulation Centre
- AVR Cluster – UBT and EON Reality / Classroom 3.0
- 5G implementation across UBT Campus

Role in Vtech@U Project

- Development and Implementation of HUB / Centre
- Staff Training
- Implementation of VR/AR in Education

Contact details

Name, department, e-mail address	Main expertise	Role in Vtech@U project
