MORE INFO

WASTE

For recycling & general waste, always dispose waste via bin chutes on each level. Large items can be taken to B1. Dedicated blue bins for cardboard are available. Hard Waste can be taken to the dedicated cage if you are unable to take items off site.

NOISE

Apartment living is a shared environment, and while the vast majority of residents respect each other's comfort, it's necessary to remember this as noise can easily affect others.

VISITOR PARKING

There are several spaces available to guests of residents. Only Guests of residents are to use these spaces, for fairness and equality. Spaces are timed and further rules apply. See www.masonsq3039.com/parking
