

HALL ST

40 Hall St, Moonee Ponds

Moving can be stressful, and moving into an apartment tower has unique requirements. The Building Management team are here to help you understand these requirements to ensure your move goes smoothly.

Planning your Move

1. Contact the Resident Services team on email at **hallstbm@mason-sq.com**. You will need to provide your name, apartment number, mobile number and proposed move date and time. They will confirm if your proposed move time is available or provide alternatives if times are already booked out.
2. Complete the Resident Registration form online—the link will be provided to you via email with the move time confirmed in step 1.
- You will need to have:
 - a copy of your lease/settlement,
 - removalist details
 - removalist insurance certificate
3. You will receive an email from BuildingLink, the resident hub portal for Hall St.
4. Contact the utilities that service your apartment to create your accounts.
5. Confirm all details with removalist and Resident Services team before your move. The move time appointment needs to be followed as there maybe bookings around yours. If you miss your time, a new appointment will have to be made.

On the day you need to contact the Resident Services team before your move commences to ensure we have you in the best location and the move day ant the induction can be completed. This ensures that your move goes smoothly on the day.

Contents Insurance—the Owners Corporation maintains insurance for the replacement of the building, this insurance will not cover items inside a private apartment.
