Terms

- Available for clients and patients in good standing (have been seen for preventative care in the last 6 months and paid for visit at time of service). We reserve the right to refuse membership in the plan for any reason and /or an aggressive patient.
- One time (per client) enrollment fee (\$50).
- Easy once a month payments automatically charged to a credit card on file at the first of each month. First month will be prorated. Card is subject to standard 3.6% fee.
- Farm call is not included in the plan (as this varies based on location). Travel fee is due at time of service. There is no fee if you elect to come to us at Maple Ridge Farm.
- Any additional sedation necessary to complete any services and/or any additional services rendered or products sold at a scheduled visit or throughout the year is due at time of service.
- It is client's responsibility to schedule wellness services.
- Any services not completed within each 12-month period are forfeited, unless by the fault of Maple Ridge Mobile Vet.
- Plan pricing is fixed per calendar year. Prices subject to change after January first of each year. We will notify you at least 30 days prior to any increase. If you wish to discontinue the plan, the cancellation terms apply.

Cancellation Terms

- You can cancel the plan at any time. If the payments made toward the wellness plan have covered the cost of the services already rendered, your payments will be stopped. If the payments you have made do not cover the full value of the services already performed, you can choose to finish the plan payments, or you can pay the difference between what we have done, and what you have paid. If you paid for your plan in one up-front payment, you can transfer the plan to another horse.
- Declined/Late Payments: We will contact you if your card expires or is declined. If we are not able to get your payment brought up to date within 30 days, we will consider the plan cancelled and the cancellation terms will apply. We will not be able to perform services during the time in which the card is not up to date.
- Death or sale of patient: If a patient dies or is sold while on the plan, the plan will be considered cancelled. Same cancellation terms apply.
