Integrity - PlanPrep shall offer and provide professional services with integrity. PlanPrep is placed by Investment Advisor Professionals in a position of trust and confidence. The ultimate source of such public trust is our personal integrity. In deciding what is right and just, we should rely on our integrity as the appropriate touchstone. Integrity demands honesty and candor, which must not be subordinated to personal gain or advantage. Within the characteristic of integrity, allowance can be made for innocent error and legitimate difference of opinion, but integrity cannot co-exist with deceit or subordination of one's principles. Integrity requires everyone at PlanPrep to observe not only the letter but also the spirit of this Code.

Objectivity - PlanPrep staff shall be objective in providing professional services to Investment Advisor Professionals. Objectivity requires intellectual honesty and impartiality. It is an essential quality for any professional. One is competent only when he or she has attained and maintained an adequate level of knowledge and skill, and applies that knowledge effectively.

Competence also includes the wisdom to recognize the limitations of that knowledge and when consultation or referral to another professional is appropriate. In addition to assimilating the common body of knowledge required and acquiring the necessary experience, PlanPrep staff shall make a continuing commitment to learning and professional improvement.

Fairness - PlanPrep staff shall perform professional services in a manner that is fair and reasonable to Investment Advisor Professionals in providing such services. Fairness requires impartiality, intellectual honesty, and disclosure of conflicts of interest. It involves a subordination of one's own feelings, prejudices, and desires so as to achieve a proper balance of conflicting interests. Fairness is treating others in the same fashion that we would want to be treated and is an essential trait of our professional.

Confidentiality and Privacy - PlanPrep staff shall not disclose any of an Investment Advisor Professionals' or your client's confidential information without the specific written consent from you and/or your client unless in response to proper legal process, to defend against charges of wrongdoing by PlanPrep staff or in connection with a civil dispute between PlanPrep and you and/or your client. You create a relationship of personal trust and confidence with PlanPrep by engaging our services. This type of relationship can only be built upon the understanding that information supplied to PlanPrep and other information we may gather is strictly confidential. In order for us to provide the services effectively and to protect you and/or your client's privacy, PlanPrep staff shall safeguard the confidentiality of such information.

Diligence - PlanPrep staff shall act diligently in providing professional services. Diligence is the provision of services in a reasonably prompt and thorough manner. Diligence also includes proper planning for and supervision of the rendering of professional services.

Professionalism - The conduct of PlanPrep's staff shall reflect credit upon the profession in all matters. Because of the importance of the professional services rendered by PlanPrep, there are attendant responsibilities to behave with dignity and courtesy to all those who use those services, fellow Investment Advisor Professionals, and those in related professions.
