WE ARE QUEEN CITY FARMS

Safety is our priority.

At Queen City Farms, food safety is the foundation of everything we grow and deliver. We hold **USDA GAP Harmonized certification**, confirming that our growing, harvesting, packing, and handling practices meet rigorous, verified standards. Regular third-party audits help ensure we consistently exceed expectations for cleanliness, sanitation, hygiene, and traceability from field to finished product.

Food safety is a shared responsibility across our entire team. Every team member receives ongoing training in food-safety plans and proper food-handling practices so that strict protocols are followed at every stage. From planting through harvest and packing, we prioritize sanitation and careful handling to protect product integrity. When you choose Queen City Farms, you receive produce grown and handled with the care, accountability, and the commitment that today's buyers and customers expect.

MICRO HERBS

MICRO FENNEL

Striking and graceful feathery leaf adds a visual elegance with a sweet licorice flavor. More mild than adult fennel.

MICRO LEEKS

Mild onion-like flavor with a tiny hint of sweetness.

MICRO BASIL BLEND

Classic Italian basil flavor with uniquely floral accents that leave a lasting and pleasant tingle on the tongue.

RED VEINED SORREL

Gorgeous lime green teardrop leaves set off by bold, red veins and a tongue-tingling citrus flavor. Plate appearance is striking.

MICRO ANISE HYSOP

Also known as Korean mint, with a gentle anise/sassafras flavor that is reminiscent of root beer candy.

MICRO DILL

Willowly and tender leaves with a pop of fresh dill flavor.

MICRO HERBS

MICRO SHISO

Incredible cumin flavor with subtle notes of cinnamon and clove. Leaves are distinctly purple on top and green underneath.

MICRO NASTURTIIUM

The same spicy punch as the traditional large adult leaves but at the petite size of a quarter.

MICRO UPLAND CRESS

Delicate greens with classic watercress flavor. The leaves express more as individuals than a true watercress.

MICRO MIREPOIX

A spin on the classic herb combination. A premium living blend of celery, carrot, and scallion.

MICRO ARUGULA

Crisp, tender greens with a peppery and nutty flavor. A wonderful addition to pasta dishes.

MICRO BORAGE

A fresh, green cucumber flavor with melon nuances and a subtly tart aftertaste.

MICRO HERBS

OPAL BASIL

Vibrant purple leaves with a classic basil flavor lifted by subtle clove and citrus notes.

THAI BASIL

Delicate gray-green leaves delivering a sweet anise taste ideal for Asian-inspired dishes.

MICRO CELERY

Bright green, feathery leaves packing an intense, fresh celery flavor and aroma.

MICRO PARSLEY

Tiny flat or curly leaves with a clean, earthy parsley taste perfect for garnishing.

CARROT TOPS

Frilly green leaves offering a concentrated carrot flavor and peppery aroma.

TANGERINE GEM

Micro Marigold greens with floral citrus notes and a light spicy finish.

MICRO HERBS

BASIL GENOVESE

Classic sweet basil microgreens with bright, aromatic Italian flavor.

MICRO CILANTRO

A crisp, bold, classic cilantro flavor finishing with robust notes of pepper and fresh-cut grass with a sweet, bright citrus aroma.

MICRO CHERVIL

Graceful green with a sweet anise flavor and feathery, fern-like leaves. Flavor falls between parsley and licorice.

MICRO LEMON BALM

Small, delicate strawberry-esque leaves with a hint of candied lemon and green mint flavor. A classic dessert microgreen.

MICRO MINT

Tender oval leaves providing a fresh, mildly sweet minty and herbaceous taste.

MICRO MELON

An heirloom variety with a light cucumber flavor and a heavy cantaloupe aroma.

MICRO HERBS

WASABI MUSTARD

Dark emerald green leaves with a spicy mustard flavor, the nasal essence of traditional wasabi.

MICRO RED AMARANTH

Amazing magenta color with a subtle, earthy flavor that comes off as grassy with a slight resemblance to beets.

MICROGREENS & SHOOTS

MICRO BROCCOLI

Small, tender green leaves with a white stem and a hint of fresh garden veggies. A highly nutritious superfood.

MICRO KALE

Dark green Toscano kale leaves with light green stems create kale in micro. Flavor is mild, but distinctly earthy.

CORN SHOOTS

Opened blades of the young corn plant. Stevia-like sweetness with a slight hint of bitterness on the backend.

CORN SPEARS

Thin spears of the young corn plant before it has begun to open its true leaves. Incredibly sweet and crunchy.

MICRO RAINBOW RADISH

Robust and crunchy with a seriously spicy nasal kick. Great for fatty meat dishes.

PURPLE RAMBO RADISH

Eye-catching, deep purple leaves and stems with classic radish flavor.

MICROGREENS & SHOOTS

SWEET PEA SHOOTS

Bright green, tender young shoots of a pea plant. Taste very similar to a sugar snap pea.

SUNFLOWER SHOOTS

Robust, succulent greens that have a bit more presence than some. Nutty, earthy flavor with a pleasing crunch.

PETITE SCARLET FRILLS

A frilly, delicate appearance meets a pungently mustard-yet-sweet flavor. Leaves are dusted dark red.

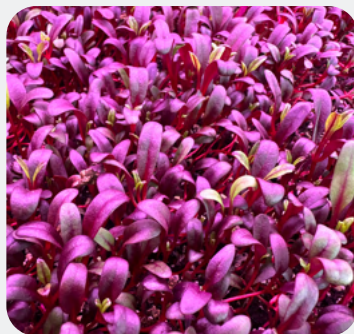

FAVA BEAN

Large, mildly sweet leaves with a buttery, earthy flavor.

GOLDEN PEAS

Tender golden-green shoots with a sweet, fresh pea flavor and crisp texture.

BULLS BLOOD BEETS

Striking red-to-magenta leaves with a mild, earthy beet flavor and visual pop.

MICROGREENS & SHOOTS

MICRO MUSTARD MIX

Dijon, Red Mizuna, and Crimson Tide mustards.

MICRO RED MIZUNA

This mix of mildly flavored brassicas contains mizuna, cabbage, kale, and kohlrabi. A great all-purpose garnish option.

TENDRIL PEAS

Prominent tendrils create a sculptural visual experience with delicious sweet pea flavor. Holds up well under mild heat.

DIJON MUSTARD

Intense, spicy brown mustard flavor in a pure lime green micro. Heat builds as more is eaten.

MICRO PURPLE CABBAGE

Deep emerald and purple leaves with a delicate, traditional cabbage flavor.

LEAVES

GREEN SHISO LEAVES

Distinctive green leaves with a mild, aromatic flavor blending subtle mint and anise notes.

RED SHISO LEAVES

Vibrant purple-red leaves offering a refreshing shiso taste with earthy-sweet tones and hints of cinnamon and clove.

BLENDS

Citrus Blend

A lively mix of herbs and greens featuring bright lemon, tangerine, and lime notes.

Mirepoix Blend

A classic combination of celery, onion, and carrot mirepoix with savory vegetable depth.

Merlot Blend

Eye-catching red and purple greens and herbs with fresh, earthy garden flavors.

BLEND

Boujee Blend

Purple Radish, Red Cabbage, Purple Mustard, Red Vein Sorrel, Amaranth, and Edible Flowers.

Herb Blend

An aromatic medley of basil, mint, thyme, and other herbs for versatile finishing.

Spicy Blend

A bold mix of mustard, radish, and cress micros delivering sharp heat and a peppery bite.
