Queens side trailer is my preference. I will be there earlier.

I'm fine either way - if on queens side, maybe meet a little earlier so we can get to NIC by 9?

Sounds good re 9AM tomorrow morning. Do you want to meet at the DOC trailer on the Queens-side of the Rikers bridge or at NIC?

Thanks,

Bennett

Bennett:

I would hope that we could see the GRVC unit as well, because it is central to the RMAS Level 1 plan.

I am available anytime.

Hi All -

I'm emailing to coordinate logistics for your tour on Wednesday morning. I'll also join you for the tour.

Have you picked a time and place to meet? How long do you expect to spend at Rikers? I've attached a Rikers map. We could either meet at the DOC trailer on the Queens side of the bridge or outside of the jail. I understand that we are going to NIC's structurally restrictive housing areas. DOC has also built new restrictive units at GRVC (currently housing ESH) so, depending on your available time, this may be another good place to tour in advance of the hearings in a couple of weeks.

If you will be driving your personal car, you will be able to get a Gate 1 Pass at the Queens-side trailer. You can pull into the parking lot (just before the bus stop), drive to the front of the lot, and park in front of the trailer. You'll need to show them your license, registration, insurance, and BOC ID. You'll then get a Gate 1 Pass that will allow you to drive across the bridge. If useful, I'm happy to meet anyone at the trailer to help navigating the Gate 1 process and getting onto to the island. If you won't be driving a personal car, let me know and I can help with transport.

The agency has KN95 masks and face shields available - please let me know if you would like me to bring you either or both. As a staff, we are only wearing N95 masks and gowns if we go into Covid-confirmed or symptomatic units, but it doesn't seem that is the plan for Wednesday. Otherwise, we are wearing the KN95s or just a face mask (with recommendation to double mask with a surgical mask and cloth mask)

b
