WHICH SESSION IS RIGHT FOR ME?

My mini sessions are great for spring Mommy and me or Daddy and me sessions. I also offer Christmas minis which are great for sending out cards during the holidays. Half birthdays are also another great use for my mini packages.

My standard package is great for Maternity, Engagement, First birthdays, Boudoir, Couples, family and portrait sessions.

WANT TO SAVE?

If you combine a maternity session with a fresh 48 lifestyle or an in home newborn lifestyle you can save! Reach out for more details!

FAMILY SESSIONS

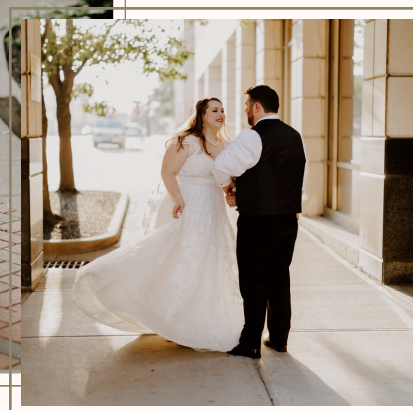

For a family session I shoot up to 6 members. Anything after that is an additional 15.00 per person. \$5.00 per combo for more than six people.
