

Tara Chu

ART DIRECTOR & DESIGN STRATEGIST

Strategic Art Director with over 20 years of experience driving visual storytelling for global media and lifestyle brands. Over the past year, I have specialized in the healthcare and clinical space, architecting scalable presentation systems and brand guidelines for industry leaders like WillowWood and Valley Prosthetics & Orthotics. I leverage two decades of digital design leadership to translate complex technical data into brand-compliant, high-impact visual narratives.

Brands Worked With: WillowWood, Valley Prosthetics & Orthotics, Prevention, Men's Health, Women's Health, Runner's World, Bicycling, Oprah Daily, Cosmopolitan, Delish, Good Housekeeping, House Beautiful, Road & Track, Woman's Day, Esquire, Elle, Elle Decor, The Pioneer Woman, Harper's Bazaar, Town & Country, Veranda, Food Network Magazine, Car & Driver, Popular Mechanics, Country Living, Sephora, Amazon

PROFESSIONAL EXPERIENCE

Presentation Specialist & Design Strategist / WillowWood (Consultant), Mount Sterling, OH (Remote)

Sept 2025–Present

- Architects presentation systems and scalable frameworks to modernize clinical education tools for educational leads and industry presenters.
- Develops modular PowerPoint libraries and brand guidelines to ensure visual consistency for high-visibility presentations at global clinical conventions and trade shows.
- Translates complex prosthetic research and clinical outcomes into clear, high-impact visual narratives and data visualizations for clinicians and healthcare professionals.

Creative Director of Marketing & Design / Valley Prosthetics & Orthotics Inc., Allentown, PA (Remote)

Feb 2025–Present

- Leads the design and rollout of multi-channel marketing campaigns—including web, social, video, and broadcast—to improve brand presence and patient connection.
- Directs the visual strategy for executive communications, ensuring high-stakes leadership presentations and medical concepts are communicated with clarity and empathy.
- Manages end-to-end digital projects, coordinating with external vendors and clinical teams to ensure all patient communications are accurate, professional, and helpful.

Art Director & Design Strategist / Freelance & Consulting (Remote)

Nov 2025–Present

- Partners with B2B/B2C organizations to lead creative strategy for user-centered digital experiences and high-conversion eCommerce environments.
- Architects high-impact visual narratives and presentation systems that translate technical expertise into compelling stories for professional audiences across educational, marketing, and leadership platforms.
- Manages full-cycle digital projects, including site maintenance, technical updates, social assets and brand identity scaling across diverse touchpoints.

Art Director & UX/UI Designer / Hearst Magazines, New York, NY (Remote Easton, PA)

May 2022–Nov 2024

- Led design efforts focused on user experience, including research, prototyping, and creating clear, intuitive interfaces for several major media brands.
- Facilitated cross-functional collaboration with product managers and developers to align design with business goals, increasing brand consistency by 25% across platforms.
- Directed the visual direction of product merchandising displays, implementing A/B testing to optimize visual elements and leading to a 5% increase in conversion rates.
- Partnered with marketing teams to ensure visually compelling product presentation, resulting in a 12% increase in online sales during key promotional periods.
