FALL/WINTER
2026

For over two decades, NVO has designed from the heart of Montreal—where style, performance, and passion come together.

What began on the fairways has evolved into something greater: apparel made for women who move with purpose, lead with confidence, and express themselves through every swing, stride, and moment.

Every stitch tells a story of motion.
Every collection, a celebration of self-expression.

Crafted with quality to inspire, empower, and elevate life—both on and off the course.

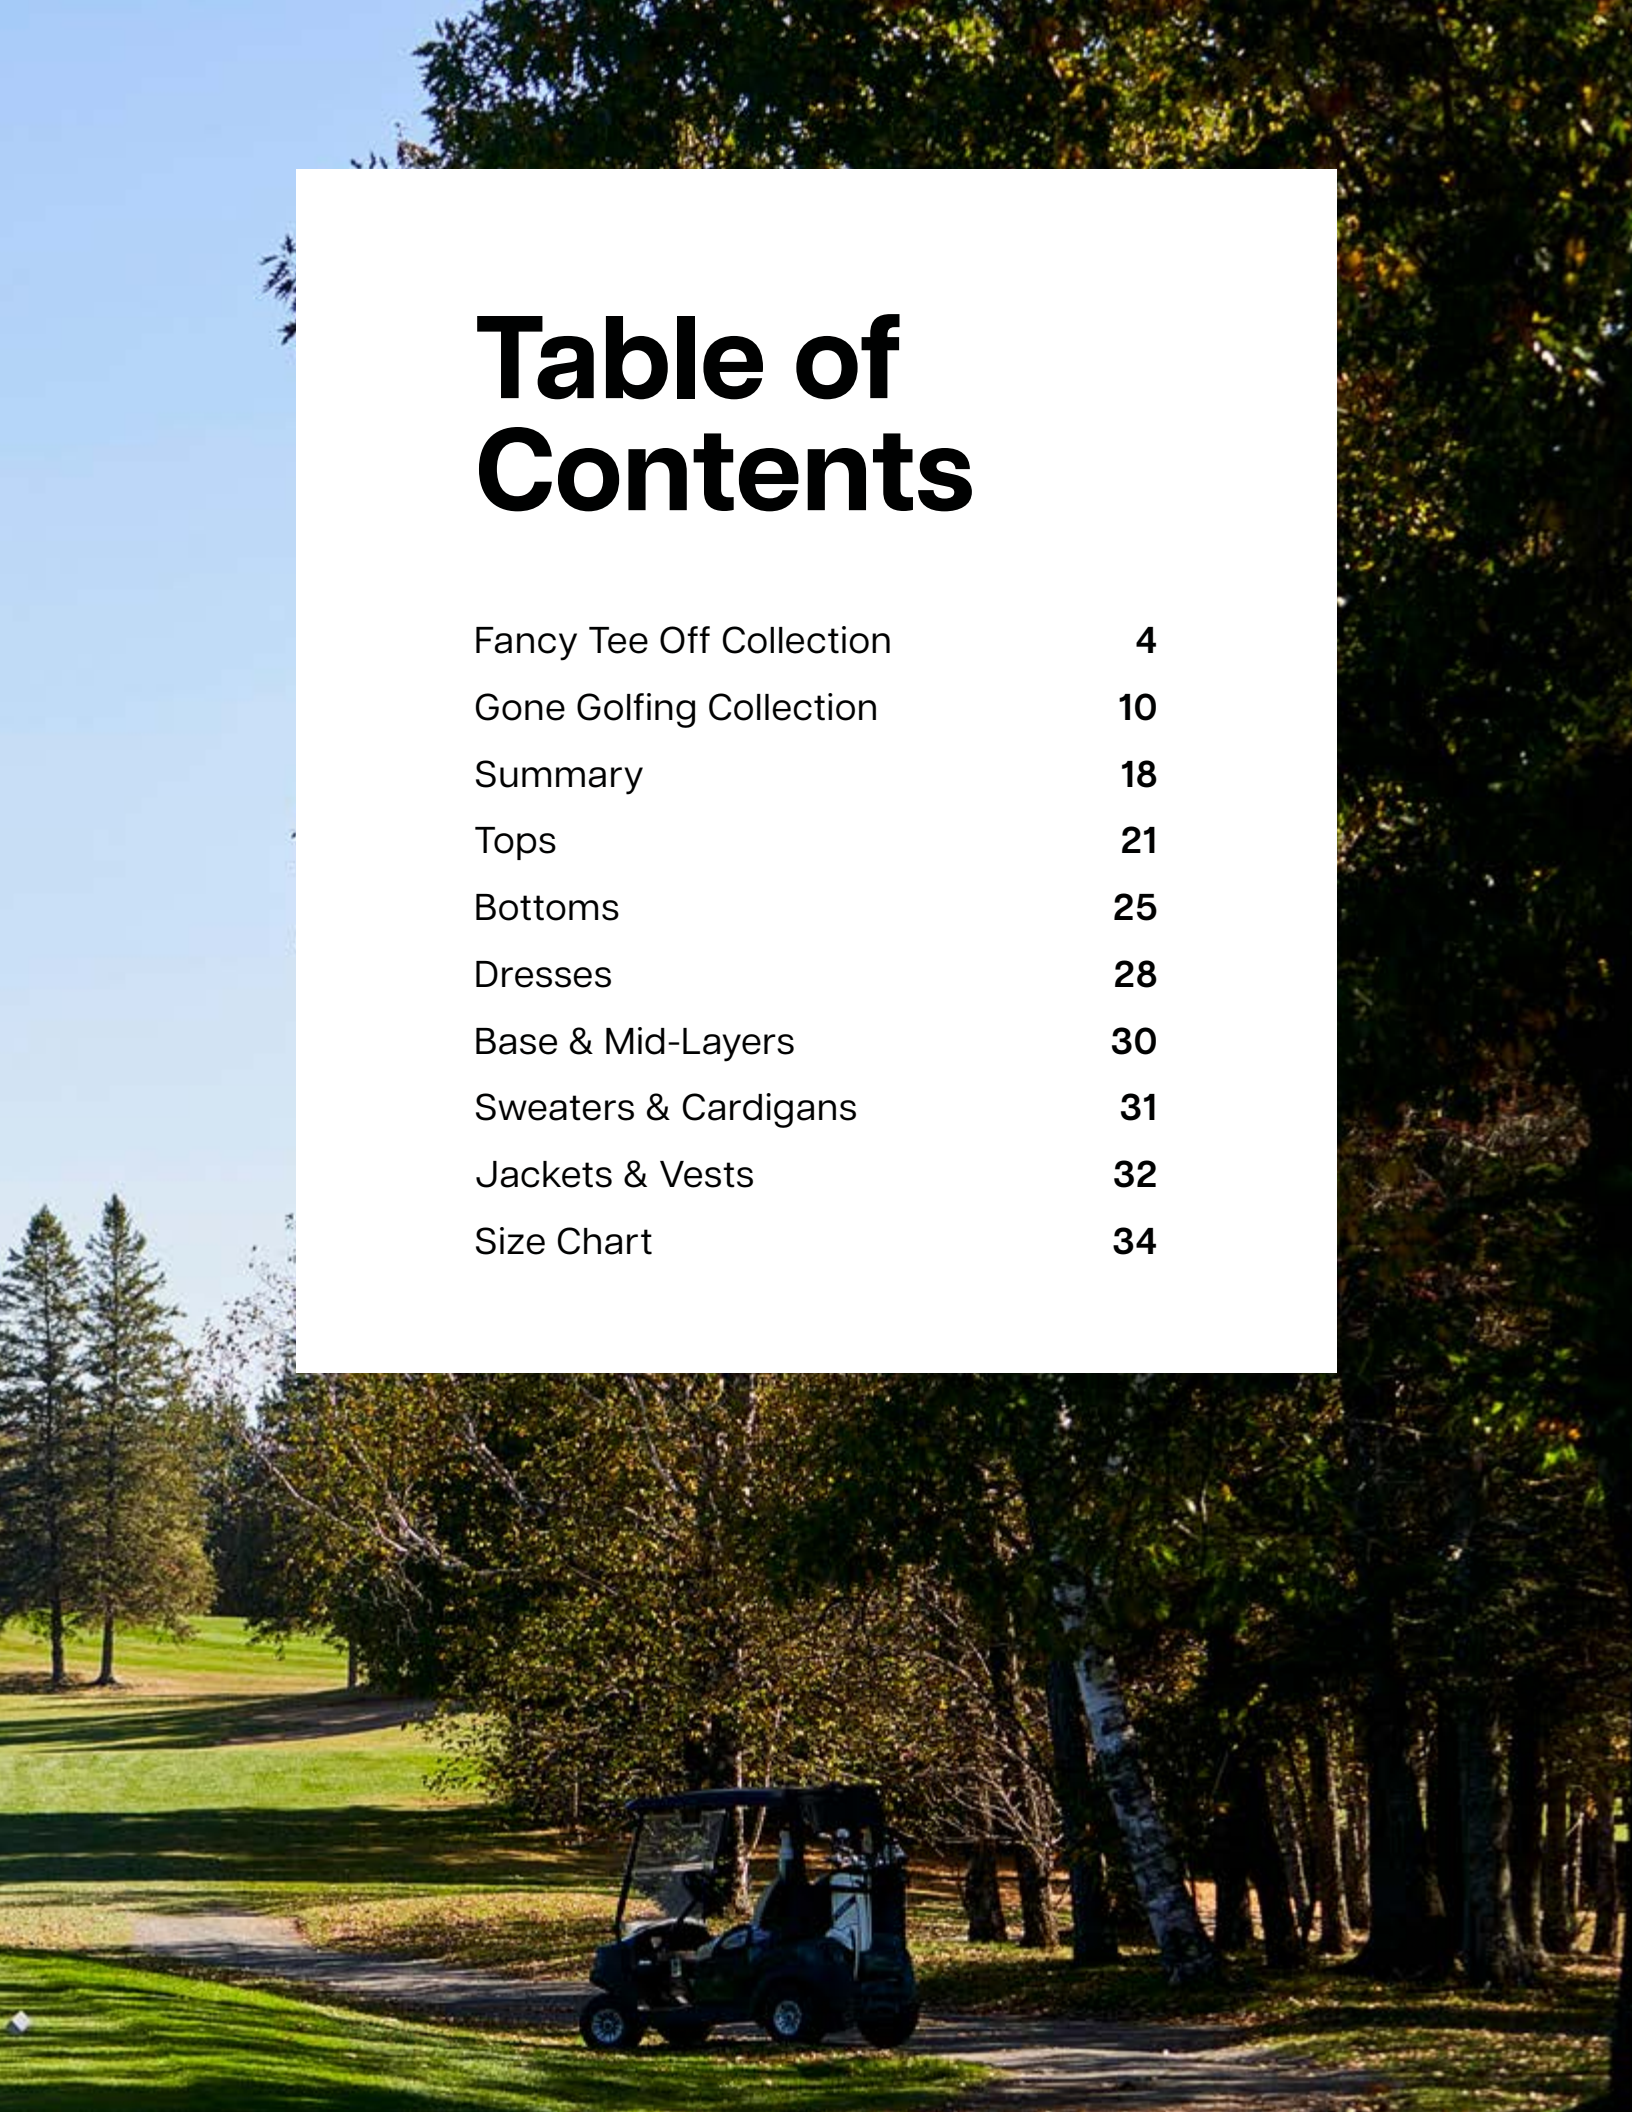

Because at NVO, playing with style isn't just about the game.

It's our way of life.
