Brielle's 5K is a run / walk benefitting The Grayson Saves Foundation for brain cancer research at Children's Hospital of Philadelphia. The event is being held in memory of Brielle Avery Barber, who lost her courageous fight against brain cancer in July 2016. Brielle was an exceptional little girl. The love and light she exuded made everyone around her feel special. Her smile was infectious and her hugs the warmest. Brielle battled her brain cancer with gust and courage, giving in only when God and her angels called her home. A six-year-old with a love for people and for life, she sprinkled magic wherever she went ... And then she fluttered away like a butterfly to brighten heaven with her beauty.

Please join us for a morning of running, walking, friendship, and love.

All proceeds go to the Grayson Saves Foundation: CHOP
