

MISSION

It is the mission of Living Waters Community Outreach to provide services and programs to low-income families in the community that ensure that there are no food insecurities in the home and that the quality of their lives are improved by us engaging the youth in activities, programs and projects that teach responsibility and accountability.

VISION

It is the vision of Living Waters Community Outreach that youth of low-income families will be empowered to change the direction of their future and they will be placed on a path to responsibility, accountability and financial independence.
