## Celebrating Lent

The days of Lent are often compared to a journey. At the end we expect to find ourselves in a different place. Every Lent we come back to the call of our Baptismal commitment and struggle with the hard questions we were asked: Do you reject Satan? Do you believe in God? Do you believe in the Church? The Church provides us with many opportunities and experiences to help us in this struggle to be renewed in our Baptismal promises. The encouragement to give alms, pray daily, do works of justice, and to fast are a few.

This year **Lent begins February 17**. During the Lenten Season, **two days of fasting and abstinence are observed**: Ash Wednesday, February 17 and Friday of the Passion of the Lord, (Good Friday) April 2. **Abstinence is also observed on all Fridays during Lent.**

The regulation regarding the **Lenten Discipline of Fasting** calls us to eat only one (1) full meal during the day. Two additional meals, sufficient to maintain strength, may be taken according to each one's needs; but together they should not equal another full meal. Eating between meals is not permitted, but liquids (including milk and juices) are allowed. **This discipline is to be observed by those between the ages of 18 and 59.**

The **Lenten Discipline of Abstinence** calls us to refrain from eating meat and is to be observed by all who are 14 years of age and older.

**When health or ability to work would be seriously affected**, ecclesiastical law does not oblige us to fast or abstain. When in doubt concerning the regulations of fast and abstinence, your parish priest should be consulted.

## REFLECT

This month, the Church celebrated the Solemnity of the Presentation of the Lord, commemorating the visit of the Holy Family to the Temple to present the infant Jesus to the Lord, according to Jewish law. The feast of the Presentation recalls that Jesus came to be “a light for revelation” (*Luke 2:32*), as Simeon declared while prophesying the Christ Child’s mission of salvation. Simeon also prophesied of the Blessed Mother’s role in this redemptive mission, which would include her own crosses.

Each of us is also called to participate in Christ’s mission of salvation, to bear his light in the world and to see his face in every person. Through the gift of human life, we are invited to encounter God in a profound way. Mothers fulfill this call in a special way, nurturing the lives of their children within themselves. The Blessed Mother’s witness of sacrifice, faithfulness, and humility is an example for us all, and in a special way, for mothers entrusted with God’s gift of new life. Like Mary, may all expectant mothers see within their own children the light of Christ our Savior.

## ACT (choose one)

- The Solemnity of the Presentation of the Lord is also known as Candlemas Day. Covid-19 restrictions may have prevented many parishes from distributing blessed candles, which would traditionally be used in Christian homes throughout the year as a symbol of Christ, the light of the world. You can still light your own candle in your home and pray this [Prayer for Candlemas Day](#), which the Church celebrated this month.
- Choose one day this week to give up your favorite form of entertainment. For example, you could choose to sacrifice television/movies, video games, or social media.
- Offer some other sacrifice or prayer that you feel called to do for this month’s intention.

## ONE STEP FURTHER

The season of Lent begins on Ash Wednesday, February 17. Take time to prayerfully consider how you can incorporate support for mothers in need into your Lenten commitments during this penitential season through prayer, service, penance, and/or almsgiving.
