

# A Whole New Approach

# Fundraising 2024-2025

# Quick Overview

CMMC Engraving wants to help your organization make the extra money you need with products customers want. Having useful and desirable products results in easier sales! **Profits up to 55% is just icing on the cake!**

We specialize in custom engraving on Powder Coated Stainless Cups and Water Bottles. We also offer custom Bag Tags and Keyring Bracelets ... all are proven winners!

Our program is totally customizable. We offer the option of up to 5 custom logos in addition to the other “proven winners” of choices. **You decide what your team will sell!**

CMMC Engraving realizes every group has different needs and goals they are trying to obtain. We will work with you to determine your needs before we create your Custom Order Form and launch your Fund Raising Program.

I look forward to working with you. Please let me know what I can do to help!
