

YOUTUBE CONTEST

ONE-MINUTE CLIMATE VIDEO CONTEST

CONTEST GOAL

The goal of this contest is to raise awareness about how drivers emit lots of CO₂ whenever they burn gas.

REQUIREMENTS

- Vertical video (1920 x 1080)
Under 1 minute
- Upload to YouTube as PUBLIC
- Email video link to:
earth.news12345@gmail.com
- Participants need to subscribe to
@EarthNewsGlobal YouTube channel
to be in the contest.

DEADLINE

 JANUARY 31, 2026

AI Videos Welcome

- Contest winners will be announced on earthnewsglobal.com and via email.
- Candidates will be considered for video production opportunities at Santa Barbara Studios

Lights. Camera. Impact.

We're giving away **\$1500** for the best one-minute videos that make these points:

-  One gallon of gas turns into **20 pounds of CO₂**
-  If you burn **50 gallons** of gas a month, then you emit **1,000 pounds** of CO₂
-  Average Americans emit **6 tons** of CO₂ **per year from gasoline**

PRIZES
\$1,500

- **1st Place: \$1,000**
- **2nd Place: \$200**
- **Most Creative: \$100**
- **Best Serious Video: \$100**
- **Funniest Video: \$100**
