To whom it may concern,

My name is Mary Freeborn, President of Handitots, I am a mom to five children and nine grandchildren. I have been involved with special needs adults for over thirty-five years. I have two nephews with autism, a son with Cerebral Palsy and I care for a woman with intellectual disabilities. I have been involved with the Special Olympics from volunteering as a coach to becoming the local program director. I also operated a Certified Family home in Idaho for five years.

As a mother and caregiver for a special needs child, experience with close family members with disabilities, as well as caring for non-relatives with intellectual disabilities, I personally understand the struggles of receiving services for those with special needs. It was necessary for me to be a stay-at-home mother for many years due to the lack of services in my own community. I want to begin this journey to provide services for those with special needs that I couldn't have for my child and loved ones when I needed a place like Handitots.

Handitots will benefit our community by providing a trusted place for adults with special needs. This is a company close to my heart. Handitots will provide a fun, practical learning environment for adults with intellectual disabilities. Handitots will help individuals become more independent and help with their socialization skills.

Handitots will accept qualifying individuals in the community who are seeking help with a daily habilitation facility. Handitots will provide service for Jefferson and contiguous counties. Handitots will provide transportation to adults with Special needs to and from the facility.

I am asking for donations or sponsors that will help make this dream a reality! My initial goal is to raise enough money to purchase real estate with a building or build a facility along with transportation, insurance, training, and payroll. Any amount that you can support will be greatly appreciated.

Handitots Non-Profit Inc. is a certified 501c3 company. Doing business as Handitots. We would like to honor all donors and sponsors by adding your name to a donation/sponsor list to show appreciation for all support given to Handitots.

Kindest regards,

President

Mary Freeborn
