# Children's Hospital Paediatric Update Conference 2017

Wednesday, September 27

7:30 a.m. — 5:00 p.m.

Four Points by  
Sheraton Hotel

London, Ontario

## Program Objectives

By the end of this conference you will be able to:

- Identify common and important medical problems in children
- Use up to date and evidence based strategies and manage general paediatric problems

## Program Format

- Participants will have the opportunity to interact with paediatric experts on a wide variety of paediatric issues in a comfortable and supportive learning environment
- Participants will have a chance to test their knowledge throughout each talk through the use of Poll Everywhere
- Each session will have a brief 'take home message' at the end
- Question and answer periods after each session

## Target Audience

- General Academic Paediatricians, Community Paediatricians, Family Medicine Physicians, Nurses, Nurse Practitioners, and Allied Health Professionals, Paediatric and Family Medicine Residents, Medical students interested in pursuing paediatric medicine

## Program Credits

- This Group Learning program meets the certification criteria of the College of Family Physicians of Canada and has been certified by Continuing Professional Development, Schulich School of Medicine & Dentistry for up to **6.25 Mainpro+ credits**.
- This event is an Accredited Group Learning Activity (Section 1) as defined by the Maintenance of Certification program of The Royal College of Physicians and Surgeons of Canada, approved by Continuing Professional Development, Schulich School of Medicine & Dentistry, Western University (**6.25 hours**).
