

# Fact Sheet & Ordering Instructions

# My Anti-Racist Journey

A Workbook by Dr. Donald E Grant Jr.

Psychologist | Executive Coach | Strategist | Facilitator

## About this Workbook

My Anti-Racist Journey Handbook is an interactive, research-based guide designed to move individuals and organizations from awareness to action. With thought-provoking exercises, self-reflection tools, and real-world applications, this handbook equips readers with the strategies needed to confront systemic racism and foster meaningful change. Perfect for teams, book clubs, classrooms, and community groups—order multiple copies to spark collective transformation!

## What People Think...

"This workbook has been a transformative tool in my school. The exercises helped me recognize my own biases and equipped me with strategies where teachers create more inclusive learning environments for our students. It's a must-have for any school committed to equity." -HS Principal

"The 'Becoming Anti-Racist' workbook is an invaluable resource for HR leaders. It provided our team with practical tools to address bias in hiring and foster a workplace culture rooted in inclusion. The interactive exercises sparked meaningful conversations across our organization." - HR Director
