

1.2 Research Support—TYPE II

Applicable Levels

LI, PTCI

Definition and Requirements

The hospital administration of a Level I trauma center must demonstrate support for the research program.

Additional Information

Level I trauma centers have an important role in advancing the knowledge and science relevant to care for the injured patient. Advancements in the field might fall within many different domains including, but not limited to, the biological sciences, translational research, comparative effectiveness research, or implementation science.

Measures of Compliance

Documentation that demonstrates support of the research program, such as the following:

- Basic laboratory space
- Sophisticated research equipment
- Advanced information systems
- Biostatistical support
- Salary support for basic and translational scientists, or seed grants for junior investigators
