

7.10 Prehospital Care Feedback—TYPE II

Applicable Levels

LI, LII, LIII, PTCL, PTCII

Definition and Requirements

All trauma centers must have a process of reviewing and providing feedback to:

- EMS agencies, related to accuracy of triage and provision of care
- Referring providers, related to the care and outcomes of their patients and any potential opportunities for improvement in initial care

Additional Information

None

Measures of Compliance

- Documentation of the process for reviewing and providing feedback
- Evidence of communication (feedback) between trauma center, EMS agencies, and referring providers
