Celilo Park

4/23/22

CRB's second tournament of the year was held at Celilo Park, a club favorite for location. The weather was sunny, nippy and windy. The late winter like weather mid-April made the big bass elude some teams, while others still brought in bags over 15lbs.

The winners of the club pulled in a 17.86 lb bag. Congratulations Zip Decker and Kit Freeman. Great work!

Members reported using lipless crank baits, jerk baits, swim baits, jigs and ned rigs to reel in the spring bass. The late winter-like weather caused the fish to delay the spawn, some called it a "weird bite" and said they junk fished until they found what worked..
