JANUARY MEETING MINUTES

There were 10 members present for the meeting. Bob talked about the OR Bass & Panfish club Ice Breaker tournament at Hagg Lake. Vince reported the bank balance stood at \$569.10. Mark proposed some changes to the tournament draw procedure, entry fee and payout. The meeting concluded with Zip presenting a proposed schedule where members discussed TBF conflicts and not wanting to launch at Cascade Locks at any time of the year.

2020 SCHEDULE AND RULE CHANGES

This month we will be voting on the 2020 schedule along with proposed changes to the draw and tournament payout. Remember your dues must be current in order to vote. For other changes you'd like to suggest, they must be introduced at one meeting then discussed and voted on at a subsequent meeting. Proposed changes will be placed in the newsletter following their introduction. All items having to do with 2020 tournaments must be complete before the season starts so they should be brought up this meeting to take effect this year.

THANK YOU!

To all of you who helped the Oregon Bass and Panfish club build and place spider blocks in Hagg Lake.
