AUGUST MEETING MINUTES

6 members joined the August Zoom meeting. Vince talked about his experience at the Wild West tourney in Tri-Cities and Mark talked about his guiding success resulting in doubles for Chuck Smith and another for his wife a week or two later. Mark led a little Show and Tell including his recommendation of Winn fishing rod grips. Zip gave some tips for making the Albright knot easier to tie. Everyone also gave their best drop-shotting tips of which one was the use of banana-shaped weights. Zip went over results for Boardman followed by unanimous approval of tournament additions to the schedule. The meeting concluded with the draw for Stevenson.

1st Place: Zip Decker & Kit Freeman - 13 lb 09 oz

We got four blow ups surface fishing on the first spot. But only one made it to the net. That fish went on a day long boat ride. We filled our limit on plastics on a deep ledge but these four fish would all be culled out. Worked a long bank the entire middle of the day. It had a gap between the weeds and the shore. Combination of plastics and reaction lures. Kit got one of our biggest fish.

2nd Place: Rick Beko & Dave Lenihan - 12 lb 11 oz
