

# *Who's who at Langford Chapel*

*An occasional look at the people we see here*

**Stephen Neal** came to preach for us for the first time recently. He is leading the work at Meare Chapel near Glastonbury. Stephen had been serving the Lord in Albania before moving to Meare last year. He is married to **Marlies**, who is from the Netherlands, and they have a daughter, Hadassah and a son, Nathanael. He shared the Scriptures with us from John's Gospel Chapter 2, a passage often mentioned at weddings. You can find a recording of that message on our relaunched website [langfordevangelicalchurch.org](http://langfordevangelicalchurch.org) and more of Stephen's sermons at [www.mearechapel.com](http://www.mearechapel.com)

## **Prayer requests**

Pray for those who are **unwell**, some after a long time of ill-health. Remember those facing operations, especially the young lady who came to our Bible club.

Continue to remember **persecuted** Christians; the media often report (quite rightly) on the ill-treatment of other minorities but not so much on the followers of the Lord Jesus.

Praise the Lord that the American pastor **Andrew Brunson** was set free by the Turkish authorities.

Pray that our **government** may seek God's guidance in making new laws that these will not offend Him or endanger the unborn child.

Give thanks for those who have been **helping** in worship and other events at the Chapel.

*Harvest gifts went to a good home*

**A**nother year, another day of thanksgiving at Langford Chapel. We are grateful to some of our new worshippers at the Chapel for pitching in to help so that there could be a fine display and also to all those who gave goods. After the evening service everything was packed up and taken the next day to the Bournville Family Centre to help needy people.

# Church website relaunched

After several years of being online we thought our website needed a facelift so we have redesigned it with a new web hosting company. It is mobile friendly and we are getting appreciative comments. Along with the Facebook and Twitter pages we hope it will help more people to know about us. All change? Well no, we will still be making Jesus and the Bible central to all that we do, because everyone still needs God's word and the gospel. The Home page is shown above. ### Autumn tidying

During the very hot days of summer the grass didn't grow much, so things looked a bit straggly and uneven around the Chapel afterwards. We are grateful to one of our Deacons for getting things back in order.

## From the Pastor's study

This month will mark 100 years since the end of the First World War but the reminder of that carries with it much sadness for many, particularly as the hope that it was the "War to end all wars" was disappointed within a very short time. Peace seems to be still far off in many places and in our modern world it is not just brave soldiers who suffer and die but many civilians too. Does the Bible have any hope? Yes, because Psalm 46 tells us that God "Makes wars to cease" and, as we have been finding out in the book of Isaiah lately, Jesus the Prince of peace will return to set up a wonderful kingdom where there will be no more war - in fact there won't even be any military hardware or training (Isaiah 2 verse 4)! Meanwhile as we wait for Him to come again, what things can help us? First, we all need to make sure we have *peace with God* by believing the good news of Jesus' love (Romans 5:1) and then try to overcome hate by loving others. I'm often quite amazed by the way in which the gospel changes attitudes even among former enemies.
